

Anirban leads Sustainability at the USD 20.7 billion Mahindra Group. Under his leadership Mahindra has developed an award-winning Sustainability framework, become the first to have a certified carbon neutral factory in India, doubled energy productivity in a company, and enabled 21 locations to become zero waste to landfill. He has, in partnership with the World Bank, facilitated the creation of the Sustainable Housing Leadership Consortium to accelerate the spread of green buildings in India. Anirban has led a shared value project that doubled per capita income for 50,000 people in rural India.

Anirban takes great pleasure in implementing projects that drive positive change in society and has been acknowledged as a "Thought Leader" and a "Distinguished Sustainability Officer".
